MOTION TO CONTINUE

Now comes Defendant, by and through counsel, and hereby moves this Honorable Court for a continuance of the Trial scheduled to begin June 24, 2019. The grounds for said motion are that discovery was received last week and is found to contain approximately 121 items that need detailed review and investigation. Included within the material are hours of audio and videotape evidence. The Assistant United States Attorney has no objection to this request.

This Motion is signed by Mr. Higgins. He has been explained the consequences of said Motion, and he concurs in this request. Due to a conflict that has arisen with counsel's schedule, it is respectfully requested that this matter be heard at a date and time other than the final pretrial currently scheduled for May 31, 2019, at 10:30 a.m.

Wherefore, Defendant prays this Court will grant a continuance of the trial.

Respectfully submitted,
